K M Rezwanul Ehsan (Faruque)

Senior Software Engineer

01719-618984 | rezwanfaruque9@gmail.com | 56 West Mathertek, Khilgaon, Dhaka

PROFESSIONAL SUMMARY

Senior Software Engineer with 6+ years of experience building scalable web applications and APIs. Skilled in delivering dynamic user interfaces and backend solutions, with cloud deployment experience. Strong problem-solving and collaboration skills, consistently improving system performance and delivering high-quality results.

TECHNICAL SKILLS

Backend: PHP, Laravel, CodeIgniter, Node.js, Express.js, Python

Frontend: JavaScript, TypeScript, React.js, Vue.js, Next.js, Sass, CSS, HTML5

Databases: MySQL, PostgreSQL, MongoDB

DevOps & Cloud: Git, Docker, RabbitMQ, AWS, DigitalOcean

Architecture: REST APIs, System Design, Event-Driven Architecture, Microservices

AI Tools: Cursor / Claude, ChatGPT, GitHub Copilot

PROFESSIONAL EXPERIENCE

Senior Software Engineer April 2026 – Present

Shohoz Software Ltd

- Build and optimized a high-traffic news platform with a full-featured admin panel and RESTful APIs, supporting 30,000+ daily user while maintaining API response under 2 seconds.
- Improved backend performance and application reliability by optimizing API workflows, database, queries, caching strategies and resolving production issues.
- Developing AI-powered solutions using LLM, prompt engineering, Retrieval-Augmented Generation (RAG) and workflow automation to improve data analysis, streamline business process, and reduce repetitive manual tasks.
- Designed, developed and maintained back end services, focusing on scalability, maintainability and reliable data processing.
- Collaborated directly with clients to gather requirements, understand business needs, and deliver new features, API enhancements, and customized solutions.

Software Engineer (Contract) October 2025 – March 2026

TechSparkIT Limited

- Designed and developed new modules for an ERP system serving 300+ active clients with 5,000+ users each, ensuring scalability and high performance.
- Improved system performance by optimizing existing modules and resolving bottlenecks.
- Fixed bugs and resolved errors across multiple modules to enhance system stability.
- Developed fully structured REST APIs to support a mobile application built with Flutter.

Software Engineer September 2024 – September 2025

Byteshake Ltd

- Built and maintained backend services for in-house products, improving scalability and performance.
- Developed automation pipelines to sync data with HubSpot, MSConfig, and Salesforce.
- Collaborated with designers to resolve UI/UX issues.
- Fixed bugs and delivered updates based on feedback.

Software Engineer January 2024 – August 2024

Techdyno BD Ltd, Badda, Dhaka

- Built and maintained Service Marketplace, E-Commerce, and Property Marketplace platforms using PHP, MySQL, Vue.js, and Laravel.
- Used AWS (S3, EC2, RDS) for scalable and secure deployments.

- Collected and refined client requirements, ensuring timely project delivery.
- Designed database schemas and architectures, improving system performance.
- Fixed critical bugs and performance issues, reducing client-reported errors by 30%.
- Mentored juniors through code reviews and best practices, improving code quality.

Software Engineer September 2019 – December 2023

Techlogicians Solutions, Nikunja 2, Dhaka

- Built REST APIs and backend business logic for multiple projects using PHP, Laravel, CodeIgniter, and Node.js.
- Improved database query performance and refactored code, boosting project performance by 50%.
- Built pixel-perfect user interfaces and integrated backend APIs across multiple projects.
- Improved cross-browser compatibility and multi-device support for many projects.
- Mentored interns and junior developers by creating and assigning tasks within the organization.

EDUCATION

BSc. in Information Technology (IT) 2015 – 2019

University of Information Technology & Sciences

CERTIFICATIONS

- AWS Cloud Technical Essentials
- Docker Hands-on Labs
- Data Structures in Python
- Skills and Best Practices for Cloud Support Associates

ADDITIONAL SKILLS

Communication • Team Collaboration • Problem Solving
